

**BURT TOWNSHIP  
PUBLIC HEARING  
APPROVED MINUTES  
March 12, 2018**

The Burt Township Planning Commission Public Hearing was called to order by Chair Jay Jontz on March 12, 2018, at 6:30 pm at the Burt Township Hall, 7029 Birchwood Road, Cheboygan, Michigan 49721.

**ATTENDANCE:** Jay Jontz, Paul Janness, Allen Kozlowski, Matt Landon, Eugene Hodulik  
Also Attending: Dave Boyle, John Iacoangeli, Bert Ebbers, Katie Parker, Harold Koviak,

Burt Lake Trail Committee Chair Gene Hodulik gave an overview of the plan for Phase III and Phase IV of the trail.

The DNR Trust Fund Grant will be submitted on March 31, 2018 for funding on Phase III and Phase IV of the Burt Lake Trail. Phase III of the trail will continue the trail off-road from the Riggsville Road/East Burt Lake Road intersection to Birchwood Road. Phase IV of the trail will be six-foot paved shoulders on East Burt Lake Road to the intersection of Mullett-Burt Road due for completion in 2020 assuming the 1 mil road millage passes for the county.

Dave Boyle analyzed the projects and found the matching portion for the township would be considerably less if made into one project. (Matching funds for two projects \$172,000 vs. \$20,000-\$50,000 for one project). Combining projects will also allow for better bid prices and save the road commission money.

**Public Comment:** None

**MOTION:** Moved by Janness, supported by Hodulik to adjourn.

**MOTION APPROVED**

Adjourned at 6:55 pm

Respectfully submitted,

Donna McDougall, Clerk/Recording Secretary
